

Chief Medical Officer's Report

JANUARY 22, 2018

DATA FROM THE MONTH OF DECEMBER, 2017

Recruitment and Staffing

Current vacancies

- FP physician need for LC4 – immediate need
- Peds physician for HTP either full or part time – impending need (for call)
- FP provider for CFFP – impending vacancy

Recruiting/Plans

- Peds candidate interviewed and interested in HomeTown
- New PA in Laurens brought on as possible future solution
- Current LT physician possible long-term solution?
- Peds and FP recruiting continues at full pace

Production Highlights

Overall for month

- Last month's FP patients per day: 16.7 
- Last month's Peds patients per day: 20.0 

“Real” Range – 10.3 to 24.1 patients per day

- Notables
 - Top producer is Castellone at CFFP
 - Peds up a decent amount

Quality/Population Health

Patient-Centered Medical Home (PCMH)

- Organization-wide at level 2, TCC level 3
- Working on new PCMH standards for global level 3

Meaningful Use

- Successfully Submitted Stage 2 for 2016
- Failed MU for 2017 and won't achieve it in 2018 either

Population health

- Most efforts going into data gathering, compiling and gap resolution
- Support position in McCormick (grant supported)
- Working with insurance groups to get better usable data
- CIMS dashboard

Quality Measures

Control of diabetes (A1C levels)

	Where we are	Where we want to be
 Great!	67%	>60% 
 So-so	8%	<25% 
 Not so hot	24%	<15% 

Good still good; midrange shifted to bad

Where we are

Where we want to be

Great!

46%

>40%

Mild decrease

Quality Measures

Vaccination rates (children)

Where we are

Where we want to be

Normally at goal

80%

>82% 

Big decrease, but still close to goal

Quality Measures Graph

Compliance

Peer review

Results all in, hopefully presented in coming months

Patient Satisfaction Survey

Presented for CY17

Dismissals for the month

None this month

Compliance

Delinquent notes

Provider #1 – 97 – newer problem but working on it

Provider #2 – 18 – old problem that just needs prodding

Provider #3 – 8 – new problem watching closely

Provider #4 – 3 – old problem resurfaces occasionally

All providers are aware

Action Items

Credentialing and Privileging

Request privileging for Tommy Scott Whitehead, PA to work as LC4 resource pool
