

Acting CEO Report

Presented by:
Miriam Ferguson
September 29, 2025

External Update

- Rural Health Transformation Funding – The state is applying for these funds, but it will not be a lot of money.
- CMS has updated physician payment and proposed extending telehealth flexibilities for FQHCs. Extended through December 2025.
- We are preparing for a government shut down. We may have difficulty drawing down funds.
- We have engaged our grant writer again.
- A new sweep of our social media and web site is coming for key words and programs that are **not** supported by the current administration.
- Subsidies for marketplace insurance ends this year. We expect more uninsured patients.
- State 340B legislation may get stalled this year.

CHC News

- Yomi and Chris were featured in Rachel's Health Center Happenings
