
DEPARTMENT OF PHARMACY QUARTERLY REPORT OCTOBER 27, 2025

Dominic Mellette, PharmD

Chief Pharmacy Officer

TRENDING 340B NEWS

340B Rebate Model Pilot set to begin 1/1/2026

- Significant number of public comments submitted
- Will cause significant increase in up front drug costs for 10 medications included in pilot
- Possible delay??? 🙏

Senate HELP committee hearing on 340B program 10/23/25

- Several members of G6 sit on HELP committee
- *Surprisingly mild/favorable discussion of 340B program.

FOCUS ON OUR PHARMACIES

Behavioral Health grant allowed for large purchase of Narcan (naloxone) nasal spray!

DAODAS announces they will fund Narcan NS, Fentanyl test strips, Xylazine test strips moving forward

5 new contract pharmacy locations registered this quarter-go live date 1/1/26

We are paying close attention to Self Regional's encroachment on our 340B program and forming strategies to combat this

- Enactment of the SUSTAIN act would curb Self's misuse of 340B program amongst other things!

Currently in pilot project to have department of pharmacy handling Prior Authorization

- Expected to increase contribution 340B makes to our operating margin

HEALTH CENTER/ 340B ADVOCACY

- NACHC fly-in September 16th and 17
 - Opportunity to introduce/establish myself with Senate staffers
 - Coincided with planned Hill meeting related to 340B Working Table

HEALTH CENTER/ 340B ADVOCACY

- 340B Working Table- Briefing with majority staffers of House Energy and Commerce Committee 10/17/25
 - Presented a high-level overview of 340B program as well as current challenges we're facing
 - Staffers have requested follow-up briefing with more detail
